## EVERYBODY ASSUMES MY INCIDENTS WITH THE POLICE IS ISOLATED (//KATHYGOLD.WEEBLY.COM/MONEY/EVERYBODY-ASSUMES-MY-INCIDENTS-WITH-THE-POLICE-IS-ISOLATED)

8/30/2018

It's not, it's the norm.

Depending on what day and time you contact the police for help, depends on who you get, it's really a 50/50, they will either help you or not. Paying taxes was the taxpayer's guarantee the police would help the public. The cops are out exchange with the public, basically they're ripping off the public.

Take this for example:

<https://tonyortega.org/2018/08/30/kiosk-gate-lapd-told-masterson-accuser-its-hollywood-site-was-compromised-by-scientology/> (<https://tonyortega.org/2018/08/30/kiosk-gate-lapd-told-masterson-accuser-its-hollywood-site-was-compromised-by-scientology/>)

*But what most seemed to distress Chrissie was that the LAPD officer who responded to her call was rude and, in her words, "aggressive," and refused to take a report, even after seeing the video of the man spitting at her. (His supervisor arrived and did take the report.)*

The only reason her supervisor took the report was cause she made the press and they're afraid of a lawsuit. That's it.

Now what the LAPD will do is watch, does Chrissie and her husband have attorneys? No, the investigation will stall and disappear. Same with all the other women that's part of this case. One woman's evidence disappeared but, it's not the LAPD's job to hold onto it forever, that was the woman's job. Court Case files are destroyed after 60 days. Are these women out of present time and are stuck in OT3 where case files were scanned and archived for the victim's life span and possibly beyond?

Um, you're on planet earth, a prison planet, this is not the OT3 civilization. You're out of present time.

Does everybody online, on social media think the police will help them when they need it? Well, they're wrong, dead wrong.

They'll find out when they go to make a police report, the police won't help them and commit crimes on them by preventing them from making it as well as abusing the victim. Then turn around and report how crimes stats are down. It's called false stats, they stop people at the door, no paperwork, so when the people do the stats, there's no paperwork to staticize hence, crimes are down ,we're doing our jobs, we're the good guys.

These women in this case, I suggest get lawyers otherwise, serial rapists on the LAPD will run their own ops on them and rape them, over and over and over again. They assume these women will just blame this church and religion.

Everybody is in La La land and can't see corruption and abuse, I guess if they did, they would have to do something about it.

I'm wasn't a civilian down my wholetrack, I was a cop, this doesn't bother me, I live for this shit, this

1.1's Are

makes life interesting, fun.

For these women above, I doubt they will make it, I doubt they will survive but instead will become new victims in new crimes in the future and from the looks of Chrissie's husband, he'll probably run away, ahhhhhhh! Maybe Chrissie and these women can be the Scilon version of the Evey Hammond character from the V for Vendetta movie, going psychotic from being raped and tortured and be the leaders of the Anon movement.

It's not like the FBI nor the FBI black ops team is gonna do anything, they created this, on purpose, they're Nazis, when this country hired 1k Nazi War Criminals in 1945 to work for the FBI/CIA, that triggered in the theta universe for all Nazis ie criminals to come and work for the Federal Gov and they did, they're all on the same harmonic wavelength.

What the Nazi FBI and Nazi FBI Black Ops Team will do is take criminals in prison cause the prisons are overcrowded and use them as informants to infiltrate anons including Chrissie and her husband to set them up to put them in prison, but it's a revolving door so they'll be out in 1/4 time or less.

Basically the Nazi FBI and Nazi FBI Black Ops Team get no products, they yield no results, they are out exchange with the USA and it's taxpayers, in lowers ie treason.

In the end, Chrissie and her husband can write songs and do music vids about their experience, make money off the Nazi FBI and Nazi FBI Black Ops crimes.

They can run their own ops back but, they'll be infiltrated by informants paid for by taxpayer dollars and thrown under a bus, what Chrissie and her husband imagine in their heads won't translate into the real world.

Once again this Church and it's management team wins cause of the corruption and abuse by law enforcement or same shit different day.

Wanna be a game changer? Then go to Federal Court and sue these Nazis out of existence, here's what you're up against,

These are the types of guys spying on you. Do you actually think these Losers would help anybody? No, they're all perverts, using gov resources to spy, they're just peeping toms, nothing more.

Embrace your dark side ie apply the ethics book and have fun changing the game or get fucked long term.
